

Ms. Moumita Chakraborty

Professor of Practice

Qualification: MTTM (Master of Tourism and Travel Management),

Designation: Entrepreneur, Founder & CEO – Destinatia Tours & Travels, Guwahati

Email ID: Hello@MoumitaOfficial.com

Ms. Moumita Chakraborty is an entrepreneur, tourism professional, educator, and leadership mentor with over 8 years of industry experience in the travel, tourism, hospitality, aviation, and business sectors. She has established herself as a dynamic professional by successfully combining entrepreneurial leadership with academic engagement.

As the Founder and Chief Executive Officer of Destinatia Tours & Travels, an award-winning travel firm, she has contributed towards the development of the tourism sector through sustainable practices, quality services, economic upliftment, promoting eco-tourism, leisure tourism, and much more. Her expertise encompasses tourism operations, travel management, destination marketing, customer relationship management, business development, strategic planning, and entrepreneurship.

Ms. Moumita actively contributes to management education by bringing practical industry insights into the classroom. Her teaching and professional interests include Tourism Management, Entrepreneurship, Operations and Marketing, Organizational Behaviour, Leadership Development, and Business Communication. She strongly advocates experiential learning and industry-academia collaboration to prepare students for evolving business environments.

She is frequently involved in conducting different initiatives, projects, training, workshops, industry interaction sessions, tourism awareness campaigns, and mentoring initiatives. Her contributions to entrepreneurship, tourism, education, and community development have earned recognition through several national and international awards and honours.

Ms. Moumita Chakraborty brings together extensive industry expertise, entrepreneurial vision, leadership experience, and a deep commitment to student-centric learning, making her a valuable contributor to academic excellence, industry collaborations, institutional development, and professional mentoring initiatives.
